HOW TO TACKLE A KEY CHALLENGE
OF THREAT DETECTION AND RESPONSE

IMPACT: YOU DON’T NEED MORE PEOPLE. YOU NEED MORE IMPACT.

If you think the only way to handle today’s cyber threats is to hire more staff, think again. With threats growing and talent in short supply, look for ways to power up the staff you already have.

3X
Rate of cybersecurity job growth vs. IT jobs overall

2 MILLION
Global shortage of cybersecurity professionals by 2019

53%
Organizations that experience delays of 6+ months to find qualified security candidates

93%
Security Operations Center (SOC) managers unable to triage all potential threats

25%
Security alerts that SOCs are unable to sufficiently investigate

WHAT YOU NEED: 5 TOOLS TO BOOST YOUR SECURITY TEAM’S IMPACT

- MULTIPLE DATA SOURCES
- ADVANCED ANALYTICS
- CONTEXTUAL INFORMATION
- AUTOMATION
- IMPROVED INTERFACES

GET THE IMPACT YOU NEED, WITH RSA NETWITNESS® SUITE
